REPORT 31.7.18

A great crowd on Tuesday night for our summer machinery sale with just over 200 lots of various items on offer. For the first time there were no tractors on offer and the largest item was a West Rear Discharge spreader which was well used selling at 3,000 to a trade buyer. Cattle trailers with decks were a popular item with five on offer and only one unclaimed. Despite the heatwave, firewood sold easily at £30-£32 per bag. In the vehicle section a T plate Daihatsu 4-track for farm use went at £680. Gators and Mules were much harder to sell and the depreciation from new price seems pretty drastic. A tidy Kawasaki Mule was the only sale at £4,100.
