A combination of bad weather and reduced milk cheques took its toll on the dairy ring, with buyers able to be very selective. However, quality cattle almost achieved £2000.

DAIRY Cogent Pedigree Dairy Show & Sale Results

Best Pedigree Newly Calved Heifer

1ST	J & M Singleton & Sons £2550
2ND	FJ & R Coar £2200
3RD	J & M Singleton & Sons £2400

Thomas Critchley, Hutton, Preston made quick work of judging the Cogent Pedigree Dairy Show & Sale on Thursday. With increasing numbers the heifer class was judged in two sections, but the clear winner was Colin Singleton with a smart black Cogent Leader heifer which sold for £2550 to Alan Robson, a Cogent breeding advisor for the north of England on behalf of a undisclosed pedigree buyer. The same buyer picked up another heifer from Martin Bristol, Newton in Bowland, Clitheroe again sired by Cogent Leader for £2200-despite having a perfect udder she was unplaced in the pre-sale show. Frank & Ruth Coar, Cowark, Clitheroe took the second prize rosette with a Sterndale sired heifer giving 32 litres selling to P Mason, Out Rawcliffe. Other vendors over £2000 were JD Taylor & Son, Broughton, Skipton and WA & A Booth, Austwick, Lancaster. The regular weekly sale saw G Fairburn, Bradford lead the field at £1880 with a newly calved heifer, HC & N Gardner, Great Plumpton, Kirkham sold a newly calved heifer, 10 days calved, giving 28 litres for £1780. K & A Slinger & Son, Pendleton, Clitheroe sold his heifer calved 16 days, giving 28 litres at £1780. Twenty eight in calf heifers all due for August and September sold to £1570 for R & CR Nowell, Clapham, Lancaster and to £1500 for H Hesketh & Son, Longton, Preston. With 98 cattle forward we were certainly the busiest dairy cattle auction market in the north!

A slightly smaller entry of lambs forward than expected but met with a good firm trade that was slightly better than expected to average £73 per head. Commercial type lambs between the 38kg to 42kg mark finding buyers at £70 to £80 per head. Farm assured lambs defiantly taking the advantage. A good run of Texel lambs from J & M Blakey, Bolton by Bowland sold to 218p/kg and many more above the 200p/kg mark. Charollais lambs from Dixon & Grant, Entwistle topping at £87 per head.

Ewes a similar trade on the week. Leaner types defiantly more keenly bid for with leaner Texels at the £60 to £80 mark, Mule ewes a touch easier on the week at £60 - £70 per head. A good run of shearling tups from S Downham Haslingden sold to £95 per head.

A slightly lighter show than expected but with a cracking trade to end the week. Overall SQQ average of 191p/kg. With the sun shining and many farmers collecting grass, numbers have been hard for buyers to come by and this week and was reflected in today's trade. With 10 buyers present and keen to fill orders all types and quality found homes where more lambs could have been sold to vendors advantages. With commercial types regularly 190p/kg to 205p/kg some excellent runs of lambs notably at 39Kg from S Scrivkn, Elslack making £78 per head. Butcher quality lambs from M Hewitt, Austwick selling his lambs to a top of 231p/kg and 227p/kg from D Carlisle, Cracoe, Skipton with over 30 other pens over the 200p/kg mark. Mule wether lambs were forward in more noticeable numbers topping at 184p/kg or top of £79 per head. Ewes were a similar trade on the week with leaner ewes defiantly more sought after commodity. Topping the trade at £137 was F & HJ Booth, Wigglesworth, Skipton with some quality Texel ewes. Mule ewes also good to sell ranging from the £70-£85 mark depending on size and quality. Horned ewes seemed a straight trade on the week.

Who also picked up Jeremy Taylor's second prize heifer at £2350. There was a superb show of good farmers heifers all giving around 25-28 litres with R Jackson & Son selling to EJ Redmayne at £2020 at John Alpe, Whitewell selling £1920 to WE & O Blockley. Trade remains remarkable strong despite the milk price unrest. In calf heifer sold much faster this week with DW & S Clarke & Son selling to £1750 for a Holstein Friesian due end of August.
