<p>Numbers bring numbers!!! With the shippon full of milkers a strong entry of calving heifers were moved into pens. The Cogent Pedigree Dairy Show brought some of the best cattle we had ever seen and competition was fierce. Top man again was Colin Singleton with champion and reserve prize winners. Colin's heifers sold at £2450 and £2280 to Doug Graves, Carlisle. Whilst Anthony Bretherton had a very smart heifer, which picked up the third prize rosette selling at £2250 to David Coulthurst. The winner of the cow class came from Baldwins, Brindle which made an impressive £2420 to Angela Porter.. Richard Ashworth heifers were much in demand and bidding from previous satisfied customers helped him to average £1980 for five heifers. At least two new buyers were present and made the second quality heifers much sharper with very few under £1700. In calf heifers set off at a strong pace and with fourteen on offer regular buyers battled away for Robert Lister's last heifers which peaked at £1810 and averaged £1680 for seven. Dave Richardson, Clayton le Dale always brings sweet in calf heifers at £1720. Various lots of weaned and young heifer calves made to £500 with most being sold well over £400.</p>

The dairy cattle ring had more buyers than cattle forward this week! There was an air of caution around the ring, with only the best cattle achieving £2000. Peter Smith had the top price pedigree heifer at £1950 which sold to Richard Shuttleworth. Overall top price of the day went to Harold Ward at £2020 to AA & E Critchley & Son. An in calf Swedish Red from James Rogerson sold for £1520 Godfrey Berry. Next week 40 cattle expected with the Cogent Pedigree Dairy Show and Sale and the final consignment of a dozen heifer calves from Robert Lister, Worston

Another large show for the time of year with a straight 200 calves forward. Of these 31 black and whites forward sold between a minimum of £5 and high of £215 to level at a sold average of £99. British Blue continued to dominate the highest prices. The 32 bulls forward sold to £495 for a quartet of two month old calves from Alan Bowker, Cowling closely followed by Tom Green , Wigan at £488 and Colin Whitelock, Gargrave at £480. Fifteen bulls sold in excess of £400 and averaged £375 right through. British Blue heifers topped at £395 from P Johnson and averaged £267 for all quality. Limousins were in shorter supply today, but were keenly sought after; the star of the show being a smart red $\frac{3}{4}$ bred heifer from E Simpson & Sons, Dinckley at £435. Plenty of Angus calves on offer today, Roger Dakin, Hellifield set the standard for others to follow with a batch of three month old calves which attracted plenty of interest-bulls to £428, heifers to £335. Younger Angus and Hereford names sired calves continue to sell well-Angus bulls averaged £306, heifers £245. Hereford bulls to £368 from JR & MI Berry, Clitheroe (average £262) and heifers to £210 from AA & E Critchley & Son, Preston (average £199).

The big question today was whether the trade would continue where it finished last year? The answer was not quite. Brian Halls first prize heifer sold at £2,120 to David Coulthurst. R Lister must be hoping his dispersal will last for a few more weeks also selling at £2,120 to Tom Green. New calved cows were good to sell with Listers taking £2,060 for a 3rd calved cow also to Tom Green. Pete Dakin's 1st prized cow stopped at £1,900 going to Hill & Davies of Wrexham. Judge Aubrey Greenhalgh said there was only a fraction between the top pedigree heifers with Jeremy Taylor taking the top slot at £2,380 also to D Coulthurst. Philip Critchley had to settle for 2nd prize but made a respectable £2,300. 2nd quality heifers seemed to be either side of £1,600 and In calf heifers made to £1,670. With 41 on offer it was a cracking start to the New Year.

A cracking start to the New Year – the 189 calves presented for sale met with a flying trade, 20 calves selling above £400. The 39 British Blue bull calves on offer ranged in price between £170 and £498, for a five week old calf from new vendors, Messrs' Gibbons, Preston. Blue heifers topped at £372 from David Shuttleworth, Gargrave and levelled right through at £288. More Limousin bulls on offer today than some weeks, topping at £485 from Neil Edmondson and averaged £281. Plenty of Simmentals on offer from the usual vendors were keenly sought after, indeed many more could have been readily sold without affecting trade. Richard Shuttleworth, West Marton achieved highest bull price at £450 (Av. £335), whilst elder brother John took the heifer honours at £352 (av. £297). Forty plus dairy bulls also met with a firm trade. The black and whites selling to £175 and average £77 right through, including all quality.
