Andrew Wensley claimed top price today selling at £1920 to TR & H Wharton and Michael Fish was next at £1900 to JR Dodgson trade was very cautious and the reality of milk price cuts is starting to have a profound effect on customers spending power. Next week is the Cogent Pedigree Dairy sale when hopefully we can hit the £2000 barrier again on Thursday 23 October there will be 19 In Calf heifers due to the Limousin pre-tested TB4 Parish.

Highlight of the trade came early on this morning with a beautiful Simmental bull at £530 from G Lumb & Son, Halifax. Followed closely by a Charolais x bull at £490 from R Jackson & Sons, Wiswell. Generally Continental calves both bulls and heifers were very good to sell today. Best End Black and Whites were sought after – plenty sold in excess of £100. An overall average of pence shy of £70 was achieved for all quality.

DAIRY CATTLE

Dugdale Nutrition Dairy Show & Sale Judge Kelly Hill

R & S Tattersall claimed top price today with a non pedigree heifer selling at £2,400 to J Pickervance of Brindle, R & M Cowgill won the pedigree class selling a Baxter heifer at £2,380 to Doug Graves Carlisle. Trade was much sharper than expected with Andrew Wensley and Jeremy Taylor also topping the £2,000 barrier. A good run of heifers from S Falshaw, Sue Whitwell and R G Johnson all settled around £1,750 and even second quality heifers were finding new homes quite easily. An entry of pedigree bulling heifers met a straight trade selling to £700 and a non pedigree red and white Holstein sold at £1,000. A smart Holstein Friesian stock bull sold to Hill & Davies at £1,220 and heifer calves made from £290 to £390.
