Prime/ Store/ Breeding Sheep Auctioneer Rachel Capstick:

Cast ewes generally better to sell than last week for the goods on offer.

The hogs today were a good trade for anything well fleshed – plenty of pens in the 220-249ppk range. Nice to welcome some new vendors from further afield to our handy Saturday market and a very pleasing SQQ average of 188ppk.

Store lambs next to £71 and an overall average of £53 for all quality.

A quick run up to the top ring to sell the MV Texel sheep which sold very well indeed.

Harry Barrow's journey down the M6 proved worthwhile, a total clearance and topping at £290 followed by Keith Parker at £270.

Back down to the bottom ring for commercial sheep. David Williams from North Wales brought the first sheep and lambs of the season, Lleyn ewes with singles at £140 and £135. Best of the in-lamb were from Mark Worthington at £118 and £108. Howard Walsh had a nice trade with Jacobs scanned with twins at £92. The rest of the in-lamb sheep would look value for money – a good crowd of people but the weather isn't helping things.

Thanks to all for your patience and understanding while the top yard is out of commission.

NEXT SATURDAY 9.30am

Cull sheep, prime hogs followed by stores. Keep looking at the adverts in the press and website for special sales and dispersals as they are booked in. If you would like to discuss your own

flock reductions or requirements give us a call on 01200 441351.
