**Store Lambs & Breeding Sheep Auctioneer Rachel Capstick**  
**Clerks: Annis Schoefield and Amanda Simpson**

More interest again in the breeding sheep, particularly for the better bred types. The Swaledales got away better than anticipated. Another run of New Zealand Texel cross ewes met a very level trade again, selling to £85 and averaging £77. Swaledale shearlings sold to a high of £82.00 from Sharon Sunter, Horton in Ribblesdale, others around £70. Texels from David Moorhouse to £127.00. Mule shearlings to £110.00.

Mule gimmer lambs topped at £68.00 from James Alpe, Whitewell. Another pen of beautiful Charollais gimmers from WM Hall, Grassington sold for £106. The best Texels got away at £88 from Marjorie Sowerbutts, but others were just as well sold stores.

The better types of store lambs were very good to sell to a high of £64, plenty either side of £60. More commercial types around £55, and an overall average of all breeds, shapes and sizes of £53.00.

**NEXT SATURDAY** we have breeding sheep, rams and store lambs again at 10.30am. Vendors please ring 01200441351 before Tuesday lunch.

We already have several lots entered including a batch of powerful nicely bred Mule shearlings and three sheep dog pups.
