A superb show today for our weekly sale with a ring side packed with customers. New vendors A Lawson & Son took the top spot with very milky pedigree heifers selling at £2280 and £2180 to Brian Blezard, Ribchester. Next in line was David Wilcock with a Cogent Twist heifer selling at £2020. Duncan Robinson also claimed £2000 for his 10day calved homebred heifer going to Rob Marshall. Cows from Geoff Booth and Harry Gardner also hit the £2000 spot. In calf heifers from Harry Gardner made £1490.

We have had cattle from Blackpool to Middlesbrough in the Dairy Ring today.

Next week in Cogent Pedigree week with another 10-12cows from A&S Hall

Kirkham. We expect 10-50 new calved in total. Over the past three weeks we have traded over 200 cattle farm to farm so if you are considering a dispersal large or small please give me a ring or contact Eleanor O'Neill at the GAM office.

I am delighted to welcome Eleanor to the Dairy team. She has a good eye for a dairy cow and understands pedigree breeding along with experience of the show circuit.

NEXT WEEK is COGENT PEDIGREE DAY with sponsorship from Jamesons Feeds, Entries to the office by 12noon Tuesday for the catalogue.

Fred and the dairy team 😊
