Auctioneer Fred Spurgeon:

Skipton farmer Jeremy Taylor took honours today with a 37 litre heifer selling at £2180 to Dave Coulthurst. Reserve Champion went to Colin Singleton selling at £2080.00 to the same buyer. It would be fair to say it was not the best show of pedigree heifers but a strong trade in the £1800 to £1900 bracket which held up to the end of the sale.

Young cows were good to sell with Malcom Fell selling at £1800.00 to Colin Middleton and James Seedall at £1880 and £1840.

Leading prices today:

- J Taylor £2180
- C Singleton £2080
- M Fell £1950 £1900
- P Critchley £1900..

**NEXT WEEK** is the regular weekly sale with 25-30 on offer.

The Cogent Sale next month will revert to its usual slot of third Thursday

What a nice entry of 164 calves on a week we would have expected it to be quiet with the Easter Show of Calves next Thursday. Generally, the calves forward today were younger and sweeter than many a week. Fifty five of the total entry were Blues. Richard Parsons, Brogden topped the market at £440, the next sixteen sold between £340 and £405.

The Berry family from Horton in Craven and their neighbours Joss and Sally Lancaster shared the top priced heifers between them – Berrys': £335, £332 x2 and Lancasters': £335 and £330 x4. A trio of beautiful Charolais heifers from Graham Billington sold at £335, £330 and £290.

As predicted, the black & white bulls were well and truly in demand today and averaged £105 right through for all quality. Harry Raw, Eastburn brought a batch of ten stronger calves topping at £245 but others at £235, £225, £220 x2, £215, £172, £155, £152 and £140.

We look forward to another superb entry of calves next Thursday for the show. Remember too, it is Stirk Week! Please ring the office on 01200 441351 prior to Tuesday lunchtime with stirk entries for the catalogue and advertising. If you haven't tried our stirk sale we'd be pleased to see you. We need more cattle to supply buyer demand. *What do we want?* Anything suckler bred, dairy cross Continentals and black & whites generally about 6-9 months old. Thank you.
