Geoff and Margaret Booth maintained their run of quality cattle today topping the market at £2,280 for a 2nd lactation pedigree cow selling to W Oldfield.

Lee Donkin won the pedigree heifer class for the second month running, selling at £2,200 to a Cheshire buyer. Sammy Sugden also hit £2,200 for a smart black heifer going to the same buyer. Another Sugden heifer followed selling at £2,000 to Frank Wrathall. Trade held firm right to the end of the sale with another Craven farmer, John Dugdale, hitting £2,020 to Sutcliffes of Queensbury.

In-calf heifers from Barrie Pye, Abbeystead sold to £1,240 and a group of pedigree young stock from Andrew and Alison (on crutches) Holgate looked very smart with February born stirks selling to £710 and an in-calf heifer due February went to David Shuttleworth at £1,400.

NEXT WEEK is regular weekly sale plus 71 cross-bred dairy cows from Geoff and Christine Carter. [Catalogue on the web or click here.](#)

The B&W bulls were much better to sell today both at the bottom end and the top ten prices: £165, £158, £142, £138, £135, £132, £130, £125, £122 & £120.

A shortage of the better quality Blue bulls today but, the best sold for £440 and £415 from S & IA Robinson. The same vendor topped the Blue heifers at £355 and £315. Angus bulls continue to sell very well. Several either side of £300 and topping at £332 from G & MM Dakin & Sons.
